UPDATE

The person featured in this afternoon's release has been identified as a Portsmouth resident and is safely back with his family tonight. We would like to thank the media for their assistance.

SUFFOLK POLICE SEEK PUBLIC'S ASSISTANCE IN IDENTIFYING INDIVIDUAL

SUFFOLK, Virginia (March 14, 2012) The Suffolk Police Department is investigating the identity of a person located in the area of Route 460. The person, only known as Syrlynn, was located this morning at a school in the 3300 block of Pruden Boulevard shortly after 6:00 a.m. Though he's not a student there, he seemed to believe that he was supposed to start classes there today. He does not know where he lives, but says it is in Emporia. He believes that he is 15 years old and born on September 8th, although he appears to be much older.

The Suffolk Police Department is concerned about this individual's welfare. If you know the true identity of Syrlynn, or can provide any information about him,

please contact Detective S.A Balzer at 514-7944, or Detective Sergeant A.S. Chandler at 514-7919.
